NORTH DRIVEWAY PROJECT UPDATE

We replaced the first half of the driveway, and the new concrete looks great. Everyone is doing a good job using caution when entering and exiting the campus. Going forward, please know:

- We will continue to ask that people do NOT drive on the fresh concrete until the completion of the project.
- The activity center will remain open for foot traffic only.

Thank you for your continued patience and cooperation.

MEAL TRAIN

Help us feed the Foster family as they welcome the newest member of their family into the world. We would like to bring them meals the last week of June. Please find their meal train on CLCN Community or use the address: mealtrain.com.vg48w8. Thank you.

PONDER ON MISSIONS

JUNE IS WORLD MISSIONS BROADCAST MONTH

World Missions Broadcast reaches people with the gospel in over 90 countries and 40 languages. One way they do that is by providing Backpack Studio equipment to podcasters all over the globe. This backpack includes a computer, microphone, and other accessories that is used to create content that can be shared on many different media platforms.

Will you pray that God will continue to use this ministry to reach the lost and build up His kingdom? Would you consider making a donation to support this ministry?

EVENING MISSIONS SERVICE

Our next Sunday Night Mission's Service is will be on July 7th, at 6:00 p.m. in the Sanctuary. You won't want to miss this time of worship, prayer, and learning about World Missions.
