## PONDER ON MISSIONS

### THE 10/40 WINDOW

Pray for the 10/40 window where millions of people have little or no access to the gospel!

Did you know?

- The "10/40 Window" is an area on the globe between 10 and 40 degrees north of the equator stretching from west Africa to just east of Japan.
- Two-thirds of all people on earth live in this area.
- The majority of the world's Muslims, Hindus, Buddhists, and Sikhs live in this window.
- Many of the world's 55 least-evangelized countries are in the 10/40 Window.
- It is also home to eight out of ten of the poorest of earth's poor.
